FarmFolk/CityFolk's 3rd Annual Sea-to-Sky Feast of Fields Fundraiser
Highlighting connections between farmers and chefs.

Whistler, B.C. – June 11, 2008 – Join FarmFolk/CityFolk on Saturday, August 30th at Rebagliati Park in Whistler for the 3rd Annual Sea-to-Sky Feast of Fields fundraiser. Feast of Fields, a gourmet wandering picnic, features top-notch BC chefs, vintners, brewers, farmers and food artisans preparing creations using only locally grown and seasonal items.

Feast of Fields provides a venue where connections are made between producers and chefs, food producers and consumers, and farm folk and city folk. The goal is to allow attendees, with just a wine glass and linen napkin in hand, to enjoy a completely waste-free day, indulge in decadent food creations, and leave with an increased awareness of and appreciation for local and sustainable food systems.

The event runs from 1PM – 5PM. Tickets are \$80 per person all-inclusive, and can be bought online at www.farmfolkcityfolk.ca. Proceeds from the event fund FarmFolk/CityFolk's work throughout the province, including their BC Seed Security project and their Community Farms project. This year, FarmFolk/CityFolk will donate half of the net proceeds to a local sea-to-sky initiative, the Whistler Community Services Society "Greenhouse Project."
